Service Prayer	Higher Power, we are your trusted servants seeking to support ACA and its primary purpose. Please remind us that the life of our program and our own recovery depends upon our willingness to put the unity of our intergroup first, above our own will.
Tradition	<p>1. 6. An ACA group ought never endorse, finance or lend the ACA name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.</p>
Concept	<p>(6)On behalf of ACA as a whole, our Annual Business Conference has the principal responsibility for the maintenance of our world services, and it traditionally has the final decision respecting large matters of general policy and finance. But the Annual Business Conference also recognizes that the chief initiative and the active responsibility in most of these matters would be exercised primarily by the Trustee members of the World Service Organization when they act among themselves as the World Service Organization of Adult Children of Alcoholics.</p>
