Service Prayer	Higher Power, we are your trusted servants seeking to support ACA and its primary purpose. Please remind us that the life of our program and our own recovery depends upon our willingness to put the unity of our intergroup first, above our own will.
Tradition	(9) ACA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
Concept	(9) Good service leaders, together with sound and appropriate methods of choosing them, are, at all levels, indispensable for our future functioning and safety. The primary world service leadership must necessarily be assumed by the Trustees of the Adult Children of Alcoholics World Service Organization.
